

Battery Producer Declaration

As an importer of Industrial Batteries from outside the EU, we NET LED Limited act as a producer of industrial batteries under the Waste Batteries and Accumulators Regulations 2009.

We NET LED Limited produce Lithium-ion batteries. We are obliged to take back free of charge, waste industrial batteries supplied to an end user for treatment and recycling. We are required to do this in any calendar year we place new industrial batteries on the market. If any of our customers or in certain cases other end users, require us to take back Industrial batteries, they should contact us by phone at 01223 851 505 or by email at support@netled.co.uk. NET LED will make the necessary arrangements for the return, proper treatment and recycling of the waste industrial batteries.

NET LED does not produce any Automotive batteries.
